

CEO statement: Embracing independence and diversity

At RTL, the focus of our responsibility commitment has always been to embrace independence and diversity in our people, our content and our businesses.

Being a provider of information and entertainment for millions of people carries a great responsibility.

To understand which CR topics are most important for RTL Group's success, we recently asked internal and external stakeholders to help us identify our key priorities as follows:

- Content
- Social & Society (with a particular focus on diversity)
- Climate change

Despite making good progress in these three areas in recent years, we continue to pursue ambitious goals. In the following presentation I invite you to read more about our current initiatives and future aspirations.

Content

Social & Society

Climate change

We embrace independence and diversity in our people, our content and our businesses.

We create and share stories that entertain,

inform, and engage audiences around the world.

We are committed to protect the environment and becoming carbon neutral by 2030.

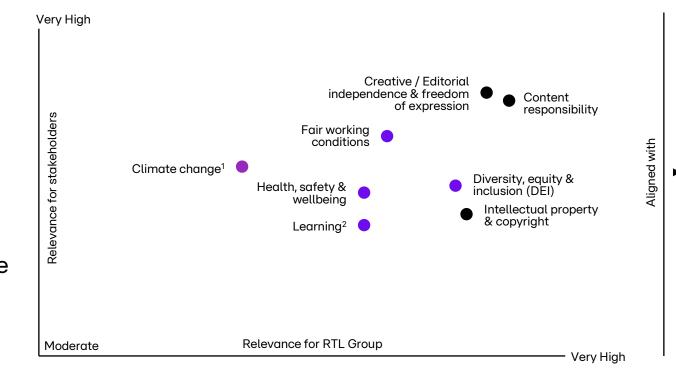

Our priority topics

Relevance matrix

The relevance assessment was conducted in 2020 to identify the issues that are important to the business and stakeholders as well as the relative priority.

Going forward, the double materiality assessment under ESRS will replace the relevance matrix.
